President's Letter

Hi there – our new year is going to be a busy one and we are already off to a great start.

You will find our Facebook group is up and contains updated information on events, news and brags so please request to be activated if you are not already and start sharing and keep informed.

Search for The Greater Twin Cities Golden Retriever Club or copy/paste this link. www.facebook.com/groups/427026430786727

Thanks to Karen Ander and Alyssa Taylor, the calendar of events and meetings are posted on our website – so now you know! Some of the locations and meeting topics are still in the works, but the dates are there so mark your calendars.

Our All-Breed Health Clinic (May 16th) was met with a great response in fact we are fully booked.

The Mitch White field seminar sold out and as of the, writing folks are heading to Blooming Prairie for a fun and informative weekend. Thank you Kathy Carroll for getting this exciting opportunity for the club.

And it's only May! Stay tuned there is so much more ahead.

We would like to host a CCA this year – if someone is willing to chair (or you and a friend are willing to co-chair) – please let me know.

Thanks all for your continued participation on our club,

Sheila
