President's Letter

Happy Spring Everyone!

It is the time of year that we all look forward to and keep looking at those calendars to see what we can fit in and where. It's that time of year that we all start doing all the 'super fun' events with our dogs. The things, that we all work so hard and practice, practice, practice for all year. It's a wonderful time of year! I hope each and every one of you has many fun events planned for this summer and I'm sure, like my calendar, a LOT of those weekends is doggie weekends! Enjoy, good luck and make wonderful memories this coming summer season!

Your new board met on April 23rd and we planned and planned and planned. Our club is very fortunate to have a GREAT group of board members, many of which are new to the board. With new board members, we get new ideas and fresh minds. We have a good blend of "seasoned" and new board members. There is lots of fun things in the works, stay tuned. Watch your emails, Facebook and the Website and of COURSE, our meetings for the details. We will be asking for volunteers to make these events possible.

I wish everyone and their their furry friends and families a safe and fun filled summer!

REMINDER

It's early, but never too early to remind members that the club has only one raffle a year, now, down from three. Please put aside things to donate as the year goes by, and as things go on sale.

These don't have to be huge, just things we can add to baskets, but should be things you'd like to win. If you have baskets, we can use those, too. Thanks!

Birthdays

Stella turned 3 on May 5th!

And, since I'm her Momma, and she was the only birthday submitted for May & June, AND I put this little publication together, I'll use the whole page. ☺

Okay...maybe just one more... 😊
