DOGS ELIGIBLE TO ENTER

This trial is open to all dogs SIX (6) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration. Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number or approved Foundation Stock Service (FSS) breeds are eligible to participate.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word “dog” is used in these regulations, it includes both sexes.

Dogs with physical challenges (including amputees) are eligible to participate provided that, in the opinion of the judge, the dog displays no sign of physical discomfort and can safely complete the search. Deaf and blind dogs are allowed to enter. Females in season may not participate. Aggressive dogs, or dogs suffering from an injury or illness which may affect the dog’s physical or mental performance, may not participate. No dog shall compete if it is sutured, bandaged, or has any visible wounds.

Artificially colored dogs are NOT permitted to compete in AKC Scent Work.

All exhibitors should obtain a copy of the most current **Regulations for Scent Work Trials** by downloading it from the American Kennel Club website (www.akc.org).

SPECIAL COMMENTS REGARDING COVID-19

Please note the "COVID-19 Advisory and Release Form" on [page 9](#). Much of it is based on the AKC COVID-19 best practices that can be found at: [AKC Best Practices for Scent Work](#). (Click "OK" if prompted to open the file or see footnote below).¹

If you are unable or unwilling to abide by the guidelines in the COVID-19 Advisory on page 9, please do not enter this event. If you do attend and refuse to comply with the guidelines, you may be asked to leave without the benefit of a refund.

If you enter the event and contract COVID-19 within 14 days of or during the trial, please stay home. You may be entitled to a refund (or having your check shredded).

Even if you have been vaccinated, **you must wear a face mask when you are near others and while competing in your classes.** Have it ready to put on at a moment's notice. It is highly recommended you practice with your dog using the mask(s) you will have at the trial before submitting your entry form to see if they adapt to it. If they become reactive or otherwise cannot get comfortable with masks, we would recommend you skip this trial.

We will have volunteers sanitizing common surfaces. Hand sanitizer bottles will be located at selected stations.

Crating will be in your vehicles.

Please bring your own lunch. Lunch will be provided for volunteers.

We are looking into using a phone app to notify exhibitors via text message of the next class to run. This is to reduce congregation around the gate steward. Details will be sent out during the week before the trial.

Our judges may be creative in how they choose to run classes to minimize contact between themselves, handlers, volunteers, and event staff. Spectators will be allowed at the individual judge's discretion. We will not have volunteer videographers in this trial.

Our Club may need to cancel this event due to unforeseen new or renewed COVID-19 restrictions. See page 9 regarding cancellation refunds.

Thank you for your understanding and cooperation. Please be sure your e-mail address is current and legible on your entry form so we may provide you with the latest updates.

This event will also need volunteers to sanitize door handles and other common surfaces. We will not have videographers. WAITLIST INFORMATION

All entries must be received by the Trial Secretary prior to Wednesday, May 5, 2021 at 5pm CDT. **No entries may be withdrawn for a complete refund after closing on Wednesday May 5, 2021 at 5pm CDT** unless withdrawn entries are filled as follows: **GTCGRC** is offering a waitlist to fill openings created by entries that have been withdrawn after the trial's closing date/time. A maximum of **50 runs per day** will be placed on the club's waitlist. If runs of a withdrawn entry are replaced by waitlisted runs, a refund will be issued to the exhibitor of the withdrawn entry for those runs just filled. Exhibitors who were able to have some runs filled, but not all, will receive a refund at the end of the trial for those runs that did not have openings. Checks will be shredded for any exhibitors who were unable to have any of the runs requested on the entry.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Event Committee. **Dogs pulled after closing because of injury or other medical condition** are eligible for a full refund contingent on the Trial Secretary receiving verification of injury or illness by a qualified veterinarian no later than 24 hours before each trial starts.

Bitches in season will be refunded the full entry fee. Notification in writing must be given to the trial secretary no later than one half hour prior to the start of the first class of the day of the trial.

MOVE-UP INFORMATION

Move-ups WILL be accepted. AKC transfer forms must be completed and returned to the Event Secretary NO later than one-half hour (30 minutes) prior to the start of the first class of the day of the trial.

SITE INFORMATION

STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

Staging Area will be out of view of search area(s). Staging area will include crating, warm-up and waiting area, as well as the secretary table for check-ins and posting of running order and results. There will be **no inside crating**.

The **Handler's Briefing** will take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. In the Handler's Briefing the judge will explain if there is an off-leash option, number of hides, maximum height of hides and maximum time for the search. NO DOGS are to be present during the Handler's Briefing.

A **Warm-up Area** will be available consisting of ONE marked container of each odor being tested at the trial and may also consist of blank containers. Exhibitors should limit their warm-up to (2) two minutes or less. The warm-up area is to be used exclusively for warming up the handler-dog team prior to their run. The warm-up area is not for training or relieving of the dog. No handling teams are allowed in the warm-up area unless they are practicing just before they are called for their search.

SEARCH AREA AND RING CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for AKC Scent Work for each class.

Search Area Conditions. Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces in accordance with AKC Scent Work regulations.

HARVEST APPLE ORCHARD SITE SPECIFICS

MN Harvest Apple Orchard is a beautiful facility with buildings that will be used for some search areas. The buildings are not air conditioned. Two buildings (Brides Room and Grooms Room) have nice antique type furniture in them. Please make sure you potty your dogs prior to your searches.

All exhibitors will crate out of their vehicles in the designated parking area. Due to site line issues, you will not be parking in the paved parking lot. Continue past the paved parking lot (will be on your right) and you will see the parking area off to the left on the grassy area. Please bring what you need to keep your pets comfortable.

ADDITIONAL SITE INFORMATION

Trial Site. It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future.

Possession of Odors and Training. Chapter 5. Section 35 of the Scent Work Regulations state “No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area”.

Spectator Area. Spectators are encouraged. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide. Spectators who intentionally or unintentionally give aid to a team may be asked to leave

RIBBONS, AWARDS, AND PRIZES

Placement ribbons will be awarded in each class as follows:

<i>First Place</i>	<i>Blue</i>
<i>Second Place</i>	<i>Red</i>
<i>Third Place</i>	<i>Yellow</i>
<i>Fourth Place</i>	<i>White</i>
<i>Qualifying Score</i>	<i>Dark Green</i>

A **New Title rosette** will be awarded to all dog and handler teams who finish an Element or Level title.

A **High in Trial rosette** will be awarded to all dog and handler teams who qualify with the least number of faults (and fastest time, if a tie) of a particular difficulty level of all elements (for example, novice containers, novice interiors, novice exteriors, novice buried). The High in Trial award does not take into account Handler Discrimination classes.

A **High Combined Division (HCD) rosette** will be awarded to teams who participate in the same difficulty level in all elements **plus Handler Discrimination** and **qualify in each** (for example, novice containers, novice interiors, novice exteriors, novice buried, novice handler discrimination).

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The Greater Twin Cities Golden Retriever Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The Greater Twin Cities Golden Retriever Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the Greater Twin Cities Golden Retriever Club or any official thereof.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material. Please read Chapter 5 Section 13, page 33 in the rulebook for further information about proper equipment.

All dogs must be on leash at all times. Retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the facility.

RINGSIDE

The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

EXHIBITOR CHECK-IN: Once the time and location for check-in is determined all exhibitors will be notified by email.

Exhibitors MUST check-in EACH day they are entered. You will receive a more detailed check-in time when the judging schedule gets posted.

Claims will be arbitrated as set forth on the Official AKC Entry Form for this event.

"Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations." Additionally, clubs should include any specific local or state health requirements, for example, proof of rabies vaccination.

PET FRIENDLY HOTEL INFORMATION

Please check pet policies and fees when making your reservations. Pet fees vary widely and can be per pet per night. Many hotels have only a certain number of pet friendly rooms available. Policies do change, so call the hotel to verify. Please clean up after your dog and do not leave dogs unattended in hotel rooms.
